

In his post-military career, Daniels was an indispensable asset for program development and direction with Raytheon Defense Systems where he dealt with top secret programs centered on radar systems technology.

As a tireless advocate for our veterans and military, Lieutenant Daniels has become a known leader in the Dallas Chapter of the Military Order of the World Wars (MOWW), where he has assumed a variety of roles including Junior Vice Commander, Senior Vice Commander, and as the current Commander. Never one to seek recognition, Chuck is often behind the scenes working on such initiatives including the Dallas Veterans Day Parade, Dallas Community Police Awards, and the Boy and Girl Scout Leadership Awards. As a direct result of his efforts, this year MOWW has been designated as the best large chapter, an international designation of which the organization is justifiably proud. Due to his leadership, Chuck was awarded the coveted MOWW Gold Patrick Henry Medal. Lieutenant Daniels continually strives to exhibit service before self within our veterans community, making an indelible impression on those around him. For his efforts, we give him our unwavering gratitude.

Today a grateful Nation thanks Lieutenant Daniels for his exceptional service and congratulates him on this recognition. May his steadfast example of leadership inspire others to live a life of service to a cause greater than themselves. It is my extreme honor to award him the 2021 Congressional Veteran Commendation for the Third District of Texas.

#### IN RECOGNITION OF THE BOROUGH OF SAYREVILLE, NEW JERSEY

#### HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 28, 2021*

Mr. PALLONE. Madam Speaker, I rise today to recognize the Borough of Sayreville, New Jersey as it formally celebrates its centennial this year, after marking its 100th anniversary in 2020 during the COVID-19 pandemic. It is my honor to join with borough officials and residents in commemorating this significant milestone.

Although established as a township in 1876 after breaking away from South Amboy, Sayreville was incorporated as a borough in 1920. Following Sayre and Fisher Company's establishment of a post office in 1860, the name Sayreville became the commonly used term to reference the area.

With its rich clay deposits and shoreline proximity to New York City, pottery and brick manufacturing was the backbone of the area's early industrialization. The Sayre and Fisher Brick Company, operating from 1850 to 1969, was one of the state's largest employers and supported the rapid growth of the community, from less than 2,000 residents in 1876, to over 32,500 by the end of the 1960s. Materials made in Sayreville not only helped construct buildings throughout town, they were also used in the construction of the Empire State Building and Holland Tunnel.

In 1968, Sayreville elected Peggy Kerr as Mayor, who proudly served as the first woman to hold the position in Sayreville's history. In its centennial, the borough is governed by

Mayor Victoria Kilpatrick, Council President Kevin Dalina, and council members Vincent Conti, Damon Enriquez, Michele Maher, Mary Novak and Donna Roberts.

Madam Speaker, I sincerely hope my colleagues will join me in marking the 100th anniversary of the Borough of Sayreville and celebrating its rich history.

#### HONORING THE LAUNCH OF MAJOR LEAGUE PICKLEBALL

#### HON. ROGER WILLIAMS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 28, 2021*

Mr. WILLIAMS of Texas. Madam Speaker, I rise to pay tribute to the launch of the inaugural season of Major League Pickleball (MLP) on November 5, 2021. I'm proud to say that MLP's Season One will take place in Texas' 25th Congressional District at Dreamland in Dripping Springs, Texas, and it will feature eight MLP teams led by an accomplished list of owners:

Discovery Warriors: Eric Kuo and Mike Meldman

Pickle Ranchers: Bryan Sheffield and Tim Klitch

Team Clean: West Hunt, Tim Berry and Navdeep Sooch

Team Rally: John Raymond and Jim Toth  
ATX Pickleballers: Brene Brown, Steve Alley and Charles Kiley

The Lions: Marc Lasry and James Blake  
Chimeras: Charles Attal and Charlie Walker  
Team BLQK: Richie Tuazon

MLP will feature the world's best female and male professional pickleball players, competing in a unique format for the Pritchard Cup, named after the late U.S. Representative Joel Pritchard of Washington State, the inventor of pickleball.

The new league has two stated aims—to create a platform to showcase the world's best professional pickleball players to pickleball fans worldwide; and to attract new people to pickleball. Pickleball is the fastest growing sport in America and already enjoyed by over 4 million regular players, according to The Economist.

MLP is the brainchild of Steve Kuhn, a noted business leader and entrepreneur whose passion and love of pickleball inspired him to found MLP in 2021. Kuhn's goal is to spread pickleball as widely as possible to ensure children and adults from all walks of life will be able to play.

I would like to express my support for the launch of the newly created Major League Pickleball and I wish them well in their inaugural season.
